Mrs. Muise:

This filing meets the reporting requirements for the general municipal election and the special election for Board of Education. There is no need to file additional forms as the two elections are concurrent and for the same Board.

Mr. Bergeron,

Thank you for your time. I have attached the donation/expenditure forms as required and if there is another set required for the special election please let me know and I will file forms for that as well. I have not had any expenditures or donations for the special election although I guess it could be argued that the signs assist in both campaigns.

Thank you, Kim
